Celebrating the Gifts of...

School Supplies

All children were provided with new school supplies for a successful school year!

Water Cisterns

Water supply at each of our schools is an exciting addition. Surveys are being completed, and projects will begin in the next few weeks. These surveys will define the exact needs on each campus.

Construction of St. Marc Elementary, Trouin

This project will begin in April 2025 with completion this summer. The teachers and children will begin the 2025-2026 school year in a brand new building!

Teacher Training

Our teachers and staff will all enjoy the opportunity to participate in special classes conducted by professional instructors during the summer of 2025.

Please Pray With Us

Haiti needs our prayers. For over three years, we've sent out email prayer requests, about twice a month. Our prayer team is now three dozen, and we'd love to add you. Send us an email at haitiedfnd@gmail.com.

Remembering Pere Albert

Pere Albert Scholarship Fund

“Education is the hope of Haiti’s future”

This July 5 will mark 20 years since the passing of the beloved Pere Jean-Wilfrid Albert. Many longtime HEF supporters can still recall Pere Albert’s booming laugh and his encouragement for us to “do more!” “Education is the future of Haiti,” the priest told us. We honor him with our Pere Albert University Scholarship Program, which recently graduated two new nurses, with another 16 students earning degrees in many fields.

Partner Update

Celebrating HHP's New Clinic

In January, our sister ministry Haiti Healthcare Partners reached a significant milestone, opening its beautiful medical clinic in the village of Cherident. Check out HHP's website, haitihealthcarepartners.org, for additional photos and video clips of the dedication ceremony.

School Lunches are a Must

Trinity Hope provides invaluable noontime lunches at all 33 of our schools, for students, teachers, and staff. Can you give a little donation to Trinity Hope? As more families leave dangerous urban areas for the peace of the mountains, Trinity Hope needs help ensuring each child is fed. Please visit trinityhope.org, and note that your donation should go to HEF's designated account.

Learn More on Zoom!

Haiti Update: Mark your calendars for Sunday, April 27, 2025. At 7:00 p.m. central time, HEF, HHP, and Trinity Hope will host our next Haiti Update on Zoom. The one hour update will be followed by our ever-popular time of Q&A. Register by sending an email to haitiedfnd@gmail.com. See you there!

Our experience has taught us that the Haitian people are resilient overcomers. Even though there are problems in the urban areas, we are moving ever forward in confidence. Over 700 teachers and staff welcome 7,261 students to class each day in our 33 sponsored schools. There is joy and peace in the southern mountains of Haiti. Our friends in Haiti never cease to thank God for you – our donors – for making the seemingly impossible, possible.

The story of the Haiti Education Foundation is detailed in the beautifully written book, *Hope Personified: Frances Maschal Landers* by Martha Abbey Miller. We will be happy to send you a copy for only \$20, which includes shipping. Email us at haitiedfnd@gmail.com or call 870-866-8618.
